Dear Members of Curves for the Cure; Mr. Durand, Mr. Toth, Mr. Stackpoole, and Mr. Stackpoole,  
I would like to sincerely thank you for this amazing gift that has been bestowed upon me. I feel so very blessed to have been selected to receive the Curves for the Cure Scholarship. With this scholarship I am one step closer to achieving many of my dreams that I have worked so hard for. In the present day, earning a degree is extremely crucial in finding work that will supply a family with a healthy living. I promise that I will compliment this scholarship with hard work so that this scholarship will be used properly.

The University of Michigan is one of the most prestigious Universities in the country. How exciting to take what I have learned and experienced as a student and athlete at Frankenmuth to represent my hometown when I attend Michigan. With the education that I will receive, my opportunities will be endless! This education, along with the incredible opportunity to play football will create an experience that I will never be able to forget.

I am honored to be invited to your annual wiffle ball tournament. My football responsibilities, which includes camp starts July 31, but I am checking into what I can do to be present at the tournament. I will keep you informed.

You are all so inspiring and encouraging to me. You are such a fine example of giving back to a cause that makes a difference for people in need. Thank you for reaching out and supporting my endeavors as well. I have so many reasons to be forever be grateful to my hometown and you are one of them!

Sincerely,

**Jared Davis**
